6. As a result of this course, please evaluate how your level of competency has changed

As a result of this course how competent do you currently feel:	1 = No change in competency 2 = Very little change 3 = Some change 4 = A lot of change 5 = A great deal of change				
To design and help implement science inquiry lessons and activities for children?	1	2	3	4	5
To work with K-8 children as an informal science educator?	1	2	3	4	5
To assist youths to understand natural resource concepts?	1	2	3	4	5
To work as a team in a school setting to design and implement a 4-H Wildlife habitat?	1	2	3	4	5
To locate resources to assist you in developing a wildlife habitat education site?	1	2	3	4	5

7. How do you rate the overall length of the training?

- Too long Too short About right

8. How do you rate the overall quality of the training?

- Very Poor Poor Good Excellent

9. How well were your expectations met?

- Not at all Somewhat A good deal A great deal

10. What training and/or support do you still need that would help prepare you for your role as a 4-H Wildlife Steward?

11. What did you enjoy the most about this type of training (on-line)?

12. What did you enjoy the least?

13. What is the most important skill or idea you will take home from this program is:

14. How will you use that skill or idea?

15. Are you a teacher? No Yes If yes, please list the grade you teach: _____

If no, please check the box that best matches your intended role as a 4-H Wildlife Steward:

Volunteer Parent Volunteer Americorps Volunteer other _____

16. How would you compare this method of training in comparison to an on-site training courses?

- Poor
- Fair
- No opinion
- Good
- Excellent

What is an example of on on-site training you have taken? _____

17. On average, how many hours would you estimate you spent on this course each week? _____

18. How would you rate the following components of this training course?

	Poor			Excellent	
The 4-H Wildlife Stewards Project Handbook	1	2	3	4	5
The 4-H Habitat Education Site Tool Kit videos	1	2	3	4	5
The on-line Power point presentations	1	2	3	4	5
The weekly assignments	1	2	3	4	5
The on-line discussion board	1	2	3	4	5
The ease of using this site to navigate and find the information you needed	1	2	3	4	5
Availability and assistance of the instructor	1	2	3	4	5
The opportunity to network and share with the instructor and other students	1	2	3	4	5

18. Would you recommend this web-based course to others?

- not likely at all
- not very likely
- not sure
- somewhat likely
- very likely

19. Do you have any other comments or suggestions?
